Gifts of Love by Jayanti Chandran Ram

a. Messengers of Love

The biggest strength and security of any country lies in educating its youth. The unique approach to integrate modern education with human values through EDUCARE makes Bhagavan Baba's contribution the most outstanding to the world of knowledge and learning. Sri Sathya Sai University prepares students to meet and even surpass the challenges of today's market demands and work environment. The emphasis is on value based education and character building of its students. These students would usher in a new age where the humanity will realize the oneness of all creation. They are the harbingers of a brave new world order, where human values will govern all fields of life.

b. Love Flows

Water, Water everywhere. But not a drop to drink. 75% surface of the Earth is covered with water. Among the 5 elements of Nature, air and water are considered the key elements that sustain Life on Earth. The thirst of 10 million people in parts of Andhra Pradesh and Chennai was quenched through the supply of clean drinking water - demonstrated Bhagavan Sri Sathya Sai Baba's Selflessness and the Infinite Love for Mankind. What seemed like a mirage has now become a reality.

c. Temples of Healing

Humans alone represent a totally unique entity on earth. As a spark of the Divine, Man's true nature is Pure Love. He is endowed with the awareness of his conscience the one that helps him to discriminate between right and wrong, moral and immoral. Bhagavan Baba's Love manifesting as Health Care Centers - be it General Hospital Medical Camps, or the magnificent 2 Super Speciality Hospitals. They adhere to Pure and Selfless Love. Health Care services are provided absolutely free of cost. Thousands are drawn to The Temples of Healing to be cured and healed.

God - The Only Friend

The Drama starts with a 'Dindi Yatra' scene celebrating Ashadi Ekadasi - dancing in ecstasy in the Divine Presence of Bhagavan Sri Sathya Sai Baba. Man today lives in a delusion that he is the doer. But in reality the doer is God. God is man's true friend. The sooner man realizes this, the faster will be his journey to the Divine Lotus Feet.

God's Address

The play opens with posting of letters to God by Manava (Man). The postman brings back his letters with the remarks "addressee not found." Manava then learns from the Sun god the value of Nishkama Karma (selfless action) and from Moksha Patamu (snakes and ladder game), the consequences of good and bad acts of man. Ultimately, he realizes that he has to fix the stamp of 5 D's (Duty, Devotion, Determination, Dedication and Discrimination) on the letters so that they can reach the addressee. In the end, Manava prays to Saguna in the form of Bhagavan Sri Sathya Sai Baba to get the experience of Nirguna.

Hridaya Vani

This drama was enacted by the students on the eve of the 82nd Birthday of Bhagavan Sri Sathya Sai Baba. Through the story of a talented and idealistic student Sudheer whose heart ailment took him to a Sai Hospital and to the Lotus Feet of Bhagavan Sri Sathya Sai Baba, the drama depicts how Bhagavan touches the lives of millions of families in the world through His Humanitarian projects and brings the sunshine of hope, love, peace and goodness in the world enveloped by the forces of darkness of selfishness, greed and other evil tendencies of modern man.

Oh Mind! Return to Your Source - Chal Re Man Apne Dham

This Drama depicts the message that fulfillment in life could be attained by following the path of Love, Compassion and Sacrifice.

Patal Bhuwaneshwar

In 1975, a miracle occurred which caused Major General K. A. Taylor to become a devotee of Sri Sathya Sai Baba. He got the confirmation of this incident from a Seva Dal Volunteer after 11 years. He told me that 1975 itself Baba had told them that one of the Army Officers requested that his Driver should be brought to Life who met with an accident in the Hills and Baba brought him to life once again. In 1989, General Taylor had a dream in which Sai Baba took him to Hillside Temple in Himalayas and showed him a Foot Path and a Hill. Baba said, “You go there.” Major General K. A. Taylor rediscovered in 1989 the Secret Cave of India - “Patal Bhuwaneshwar” as described in the Skanda Purana. This cave is the abode of Lord Shiva. All the gods go there regularly to Worship Him primarily doing Pujas to ShivaLingams. A ShivaLingam is an egg-shaped object which represents God as the Formless creation which has no Beginning or End. The Skanda Purana also states that the many ShivaLingams throughout India are all present in Patal Bhuwaneshwar. By remembering, by visiting and especially doing Pujas in Patal Bhuwaneshwar, one gains tremendous spiritual benefits. For example, according to Vyasa by visiting Patal Bhuwaneshwar, the Pilgrimage attains the fruits that are 10 million times that of going to Benaras or 1000 times that of going to Kedarnath. The Skanda Purana describes the Location of this cave as being between the 2 rivers Ganga and Saryu. The Skanda Purana also names the Hill where Cave is located. It is called Dhalugiri.

Sai Six Films

1. **Orchestra Darshan:**

Divine Darshan of our Beloved Bhagavan Sri Sathya Sai Baba.

2. **Healing with Love:**

70% of Indian population lives in India. In 1954, the 1st Hospital was built in Puttaparthi. There were no charges for the Medical Care. It was given with Pure Selfless Love. In Nov. 1991, the Super Speciality Hospital - God's Hospital - was built where the Best Medical Treatment is absolutely FREE. The Medical Camps convey Baba's message that people should move by suffering & provide the help. Even in USA, Swami's Love reaches out to them to help the poor and the needy. There is only one Religion - the Religion of Love. There is only one Language - the Language of the Heart. In Salvador, there is a HOME for Invalids. They live free of charge. Jesus said, "Faith can move the mountains." With Pure Selfless Love and Faith, one can achieve anything in Life.

3. **Kodi Ring:**

Swami created a ring for a Sai devotee.

4. **Russian Medical Camp:**

In June 2002, there was a Nature Disaster - FLOOD - in Russia. There was a loss of 100,000 villages. Many were homeless. There was physical and emotional suffering. Human suffering was extreme. About 200 Sai volunteers from far & near organized Medical Camps to share Swami's Love to these unfortunate people. It became a 'Mini Prasanthi' to help the poor and needy. Many homes were repaired, cleaned, and painted. By Devotional Singing & Dancing, Sai Volunteers reduced their suffering. A young boy of 8 said, "To know all good things to help them who don't know God....." It is the beauty of Sai Consciousness - Love All Serve All and Help Ever Hurt never. To treat them as extension of ourselves is an overwhelming experience. When we serve others, we are serving HIM.

5. **80th Birthday:**

Swami comes in an Open Car – Anandam. "Shubh Janam Lagan Baba, Tumeh Mera Pranam." Sri Indulal Shah said, "Era of Fear is ended and peace will prevail for all of us." Swami said, "...Once you know your own Reality - Who Am I - you will be free from all difficulties....." In the evening @ Hillview Studio, there was a Concert and Fire Works.

6. **Sai Schools Worldwide:**

Sai Schools are value-based. Children learn the 5 Human Values - Truth, Right Conduct, Love, Peace, Non-Violence. Children recite in the school a Gayatri Mantra. They sing, "I am the Light. The Light is in me. I am the Light." Another song, "God is watching us from the distance...." There is Heart to Heart connection - Pure Love. We teach everyone to love one another. Being fair to yourself. Silent Sitting. The End of Education is Character. Education is the great gift you can give to anyone. Bhagavan Sri Sathya Sai Baba's message is to uplift the Humanity.
